Let all Republicans in favor of a Mass State Convention, on the above basis, write to us and send us their names, to be appended to this call.
—[ED. FREE DEM.]

Republican State Convention

A REPUBLICAN STATE CONVENTION will be held at the Capitol, in Madison, on Wednesday the 4th day of June, A. D., 1856, at 12 o'clock m., for the purpose of chosing six delegates for the State at large and three delegates for each Congressional District, to represent the State of Wisconsin in the Republican National Convention, to be holden at Philadelphia on the 17th day of June next; for the nomination of two candidates for Presidential electors for the State at large; and for the transaction of such reorganization of the Republican party in the State, as may be necessary.

Each Assembly District in the State will be entitled to two delegates in said Convention.

In view of the importance of the approaching Presidential campaign, and of the necessity of a thorough organization, the Committee would urge upon the friends of the cause throughout the State the propriety of taking immediate measures to secure a full representation in the Convention.

The Committee would respectfully suggest that the several Assembly District Conventions for the appointment of delegates to the State Convention, be held at 1 o'clock P. M., on Saturday, the 24th day of May next.

WM. A. WHITE, Chairman
Republican State Central Committee.

Dated at Madison, April 21, 1856.

Republican Assembly District Convention.—WAUKESHA COUNTY.

A Convention of five delegates from each town in the South-eastern Assembly District of Waukesha County, will be held at Prospect Hill, on Saturday, May 31st, at two o'clock P. M., for the purpose of choosing two delegates to attend the Republican State Convention at Madison, on the 4th day of June next.

By order of E. M. RANDALL,
Chairman of Dist. Committee.

WAUKESHA, May 13, 1856.

A REPUBLICAN MASS MEETING.

Will be held at the Wauwatosa House, in the Village of Wauwatosa on Saturday next, the 24th of May, at 4 o'clock P. M., for the Assembly District comprising the town of Wauwatosa to choose *two delegates* to attend the Republican Convention to be held at Madison on the 4th day of June next. By Order of District Com,

Wauwatosa May 17 1856.

The sash factory in Fayette, Vt., together a grist mill, a turning and machine shop were burned on Saturday last. Loss $40,000.

Primary Meetings.

The County Committee, Dr. C. E. Wunderly and Dr. E. B. Wolcott, have invited the Republican electors of Milwaukee County, to meet in their respective Assembly Districts, at the places named in the call, in the country Districts at 3 P. M., and in the city 7½ P. M., to elect two delegates to the State Convention. We regret that the Committee did not issue this call in season to enable us to publish it in our Weekly. As it is, none of our Weekly readers will see it, and the knowledge of it, in the country Districts, will be confined to the readers of the *Sentinel*. If it was worth while to call such conventions, it seems to us desirable that the knowledge of them should be made known as widely as possible, and not be confined to those Republicans only who read the *Sentinel*. It was doubtless an oversight on the part of the Committee, or possibly the Committee had very little to do with it, except to assent to the use of their names for such a call

On the Wrong Scent.

The Janesville *Gazette* speaks of the confidential conversation of certain persons, in regard to candidates, in the style of an editor, who has one set of opinions for his confidential friends, and another for the public. We remind the editor, that what politicians of his school may say in private, among their friends, is unquestionably their *real* opinion, and what they say to the public, is what their *interest*, and not always what the truth prompts them to say.

What men say of public men or candidates, in their every day conversation, is as legitimate a subject of newspaper comment, as what they say in a speech or in an editorial. The confidential covering which the *Gazette* seeks to throw over politics, will not answer its purpose. As it is on the hunt for scents, let it follow up Judge Howe and Senator Taylor.

MR. LOCKWOOD, President of the Know Nothing Republic, gave ten dollars to the Kansas Aid Society, on condition that it should not be expended for rifles and *should* be expended to disseminate true *American* principles. The committee, not understanding, that Mr. Lockwood had constituted them agents to preach Know Nothingism, innocently expended the money in buying teams, and an outfit for the emigrants. Whereupon Mr. Lockwood comes out in a card and says, it was understood that he was to receive a *puff* both as to the amount and manner of his subscription, "and as the committee have failed to do so," he *puffs* himself. The *puff* is a richer treat to the public, than the ten dollars were to the Kansas Aid Society. Here is the precious document:

MILWAUKEE, May 20, 1856.

MESSRS. EDITORS.—I have observed in your paper, as well as in other city dailies, that my name is in the list of contributors to the "Kansas Funds." As the contribution referred to was made with the understanding that the conditions on which it was subscribed should be made public, and as the Committee have failed to do so, I have thought proper to enclose to you a copy of the note handed them, in order that my position on the subject may not be misunderstood.

Respectfully yours,
JOHN LOCKWOOD.

MILWAUKEE, May 20, 1856.

C. T. Hotchkiss, Esq., Secretary of the Milwaukee County Kansas Aid Society:—

DEAR SIR.—Please accept the within Ten Dollars for the use of the above Society, provided that the same shall not be used in the purchase of "Sharp's Rifles" or ammunition for the purpose of shooting down American citizens; but that the same shall be applied for the dissemination of true *American principles*, and for the extension and perpetuity of our great and glorious Union.

Respectfully yours,
JOHN LOCKWOOD.

More from Kansas.

The latest news is, that most of the Free State men have fled from Lawrence, to Topeka, resolved to make a stand there and fight it out.

The Congressional Committee is threatened by the mob, and they are preparing to leave to ensure their own safety.

Governor Robinson had been taken up to Lecompton. The mob threaten to hang him, as well as G. W. Brown, the editor of the *Herald of Freedom*, and G. W. Deitzler, member of the Committee of Public Safety—all on one tree!

Mr. Warren met Atchinson, late the Vice President of the United States, near Lawrence with two peices of cannon and sixty men, making their way to the beleaguered city, swearing vengeance upon the d—ned Yankees!

Cattle are shot down in the fields, and oxen on the ploughs.

We see no way to end these outrages, but by a resort to arms. If Frank Pierce and his minions are determined to crush out Freedom, on the plains of Kansas, the people of the North must *fight* or be *slaves*.

We ought now to have a meeting in this city, to express the sense of our citizens in regard to the outrage on Senator Sumner.

There was a large and enthusiastic Kansas meeting at Madison, Saturday evening, says the *Journal*, at which, speeches were made by Messrs. Bird, White, Vaughan, Welch, and others.

☞ Rev. John H. Egar, recently ordained a deacon at Nashotah, is called to take charge of an Episcopal church about to be organized in Prairie du Chien.

PREMIUMS FOR RUFFIANISM.—The citizens of Charleston and Columbia, South Carolina, are raising money to purchase a testimonial to reward Brooks for his ruffianism.

INTOLERANCE IN GERMANY.—The States of the Duchy of Meiningen have recently decided that no Jew can be an elector, a juryman, a public functionary, an advocate or attorney.

☞ Prince Napoleon intends taking a long tour on the conclusion of the baptismal fetes at Paris. He will visit Scotland, Ireland, and north of England, Sweden, Norway, &c., accompanied by a few of his intimate friends.

☞ The Commissioners of Emigration report the number of emigrants arrived at New York during the week ending the 9th inst., was 3,162—total for the year 24,001. To the same period last year the number was 37,100.

[Special Correspondence of the N. Y. Tribune.]

ASSAULT ON SENATOR SUMNER.

WASHINGTON, May 22, 1856.

MR. SUMNER was writing unsuspectingly and busily at his desk when attacked by Brooks.—The Senate had adjourned early on the announcement of the death of Mr. Miller. Messrs. Brooks and Keitt approached him, each with a cane. Several persons had been about Mr. Sumner's desk after the adjournment, but at the time chosen for the attack he was alone. Mr. Wilson had just left him, on his way out passing Brooks, who was sitting in a back seat—Brooks walked up in front of Mr. Sumner and told him that he had read his speech twice, and that it was a libel on South Carolina, and a relative of his, Judge Butler. Without waiting for any reply, or asking for any explanation, he immediately struck Mr. Sumner a violent blow over the head with his cane, while Mr. Sumner sat in his seat, unable to extricate himself, cutting by the blow a gash four inches in length on his head. The cane was of gutta percha, an inch in diameter. Brooks followed this blow immediately with other blows, striking from twelve to twenty in all.

Mr. Sumner had no distinct consciousness after the first blow. He involuntarily strove to rise from his seat, but being fastened by his position, tore up his desk from its fastening in the attempt to extricate himself. He staggered under the blows and fell senseless to the floor, being wholly stunned and blind from the first.

It is stated by a Reporter, who was present, that Keitt stood by and brandished his cane to keep off others. Mr. Morgan and Mr. Murray of the New York Delegation, were in the front anteroom, and hearing the noise, went in. Mr. Murray seized hold of Brooks, who had now broken his cane into several pieces, and Mr. Morgan went to the relief of Mr. Sumner, whom he found prostrate and nearly unconscious.—The persons present in the Senate were Mr. Sutton, one of the Reporters, the Assistant Sergeant-at-Arms, Mr. Simonton, Senators Crittenden, Iverson, Bright, Toombs, Douglas, Foster, Pearce, Fitzpatrick, and a few others. No one of the Senators seemed to interfere, but Mr. Crittenden, who pronounced it an inexcusable outrage.

Mr. Wilson rushed into the Senate Chamber on hearing of the attack, but found Mr. Sumner had been removed to the Vice President's rooms, and that a surgeon was in attendance. He then helped to put his colleague into a carriage, and went with him to his lodgings.

Mr. Sumner is badly injured, having two very severe cuts on the head. His condition is considered critical, and his physician allows no one to see him. His clothes were literally covered with blood when he was removed. Considerable blood was also spattered on the adjoining desks.

Mr. Sumner's physicians say his wounds are the most severe flesh ones that they ever saw on a man's head, and deny his friends admission to him.

FRED HILL.—The Sch. *Fred Hill* arrived here yesterday afternoon from Buffalo, with a full cargo of lumber and coal, having made the trip to that port and back in 17 days.

LAKE SUPERIOR LIGHT HOUSES.—The Sch *Fanny & Floy* left here this morning, with 250 bbls. of provisions and building material, and 40,000 brick for Light Houses on Lake Superior.

DROWNED.—A daughter of Rev. Mr. Scott, of Beloit, four years old, while walking on the edge of Rock River, fell in and was drowned, last Saturday. The body was recovered next day, about two miles below the city.

A Mr. Hamann, of the firm of Hamann & Brother, was drowned in Third Lake, at Madison, Saturday afternoon. He was in a boat, near the middle of the lake, undressed himself and jumped into the water, as if about to bathe, but was probably seized with cramp, and cried for help, too late.

WISCONSIN.—We notice in the proceedings of the Old School Slaveholding Presbyterian General Assembly, exception was taken to the bad spelling of the Wisconsin Records.

HUGE BEAR.—The Appleton *Crescent* of the 24th inst. says: A huge Bear was killed in the town of Bovina on Saturday last. He measured a trifle over seven feet in length, and was estimated to weigh over six hundred pounds!

DISLOCATED.—The Appleton *Crescent* says that on Sunday, the 18th inst., a lady was tripped up by stepping upon the broken University Walk near the M. E. Church, and discolated her shoulder.

DROWNED.—The Hudson *North Star* of the 19th inst. says: A man by the name of Elisha Crandall, from Pennsylvania, and going to Winona, passenger on the steamboat Brazil, was drowned at the mouth of Crooked Slaugh, a few days since.

☞ The General Conference of the Methodist Episcopal Church, in session at Indianapolis, are having a lively time on the Slave question. Two reports are submitted, very moderate, not proposing to do anything but simply asserting that the Church is right on the Slavery question. A warm discussion was anticipated.

☞ Last Saturday an election for two Aldermen was held, in Janesville, and on Friday we published the result of it. To-day, the *American* publishes the news of the *nomination* of two of the candidates.

MR. SUMNER.—The condition of Senator Sumner was not considered so favorable on Saturday afternoon, as it was on the previous day. He was unable to leave his room.

A HEAVY BUSINESS.—The town of Winchenden, Mass., is more largely engaged in the manufacture of woodenware, than any other place in the country. They furnish annually 1,500,000 pails, 240,000 tubs, 15,000 churns and 1 000,000 toy pails, that have a total value of $360,000, or about $1,000 a day, including Sundays, through the year.

☞ The income of Ohio, last year, was about four and a quarter million of dollars, and its expenditures three millions and a half. It has 800 miles of canals, 600 of navigable rivers and 5,000 miles of railroads. Its wheat crop last year, was 30,000,000 bushels, and corn 60,000,000 bushels.

From the Elkhorn Independent.

TO THE PRESS OF WISCONSIN.

It is notorious, and not to be denied, that the Press of the State for the past year, has abounded in detraction to an extent highly discreditable, to speak the most mildly, to the Profession. Whatever this paper has contributed to that end, it is heartily ashamed of. It is conscious of having made an endeavor to be courteous and candid; but it may have signally failed, and it now promises to make another endeavor, with renewed effort for success.

Last fall, prior to the State Nominations, in urging the Republican Party to select good and true men, it took occasion to deprecate the policy which had prevailed in selecting the Congressional Candidates for the Second and Third Districts—the policy which selected Mr. Billinghurst because he was a sort of deserter from the ranks of the Opposition, and whose manner of joining the Party was so closely allied to it in appearance, that no one could avoid entertaining the idea that it was a regular bargain and trade—"I'll join the Republicans if they will nominate me,"—and the policy which selected Mr. Washburn, not because of his known devotion to the Republican cause, and of his known political ability and integrity, for he had not been known as a politician *at all*, but because of his possessing a few hundreds of thousands of dollars, and being a very rich and successful business man and banker. No epithets upon the personal character of either of these gentleman were given. All that was said was in candid, earnest illustration of the position assumed.—But the Madison *Journal*, Portage *Independent*, Monroe *Sentinel*, Janesville *Gazette*, Mineral Point *Tribune*, Platteville *American*, Lancaster *Herald*, and La Crosse *Republican*, took umbrage and said severe things against the personal character of the writer, indulging in coarse and unpleasant epithets, calling him all the bad names readily to be thought of. This paper took no notice of this vilification, and this is the first time it has alluded to it.

At another time, in canvassing the merits of proposed Candidates for Governor, it stated, fully and candidly, and it thought mildly and courteously, that it preferred Mr. Holton to Mr. Bashford. Upon this the Madison *Journal*, Janesville *Gazette*, Fond du Lac *Herald*, Kenosha *Telegraph* and others, again took umbrage, denounced the writer for his course, and charged it as arising from personal hostility to Mr. Bashford. No notice was taken of this either, and this is the first time it has been alluded to. But it may not be out of place now to say, still repeating all it said as reasons why Mr. Holton should have been nominated, that Mr. Bashford and the writer had been neighbors for years, and that the most friendly intimacy existed between them, and does still exist, unless that article, and what the Press said, have alienated Mr. Bashford.

The opposition press, led on by the Madison *Argus*, and Janesville *Standard*, have alternately said good and bad things of the writer, as it might suit a then present purpose, and copied extracts, so garbled as to be a direct falsehood on what the paper did say. The Madison *Patriot* and Milwaukee *Wisconsin* copied perjured and villainous articles from the rival paper of this village, which were highly actionable in courts of law, was not that an ignoble manner of seeking redress for an injury of this kind. No notice before has been taken of this item, and it is now done only to illustrate the idea of this article.

This paper is determined to avoid all excuse for such treatment, if it is a possible thing. No amount of provocation or abuse will induce it to defend itself or to allude in any unpleasant reflection upon the personal character of *any* of the profession. And it requests all its brethren, who do not like it well enough to treat it with common civility, to erase its name from their exchange lists. It wishes its table relieved from such papers. Any discussion of principles and measures of Government, it will never shrink from, but it has no taste for the dandying of personal epithets, and does not wish to receive that kind of literature.

To the brethren of the opposition it makes the request, when they wish to quote anything from its columns, that they do it truthfully, and not in so garbled a manner, as to make it an unequivocal falsehood. If what it says is of importance enough to notice at all, it is entitled to have its position truly and candidly given. It trusts that all who claim the common qualities of manhood, will grant this request; and the acquaintance of those who are *not manly* enough to do this, is no longer desired. They will confer a favor by not sending their papers to this office.

CARROLL COLLEGE.—Hon. A. D. Smith will deliver the annual address before the Philomathean Society of this institution on the 17th of July next.

Prof. Rinker, late from Broome Co., N. Y., and not Prof. Wenzel, has charge of the Preparatory Department of this College. Mr. Wenzel received the appointment, but gave way for Prof. Rinkler, in a manner creditable to himself.

FIRE—On Saturday night last, the drying house of Messrs. Marvin L. Goodwin, at Beaver Dam, was destroyed by fire. Loss between $200 and $300.

AN EDITOR ASSAULTED.—A. S. Mitchell of the St. Louis *Intelligencer*, was assaulted on Tuesday last on the cars on the Pacific Railroad, by Charles S. Rannels, State Senator from that county. The *Democrat* supposes the following parenthetical remark in Tuesday's *Intelligencer* was the cause of the collision:

"Thanks to the swindle of the Hackney Bill, whereby Charles S. Rannels, and Aaron G. Hackney sold out the American party."

CHAPTER OF ACCIDENTS.—The Manitowoc *Tribune* of the 22d inst says:

A man named Dobber was killed a few miles south of the village by a falling tree, on Tuesday the 13th inst. He lived only 36 hours after the accident. He leaves a family.

A boy named Runk had his arm sawed off below the elbow, by a circular saw in Baker's mills on Saturday last. The stump was amputated, and he is doing well.

Another boy was struck in the forehead the day previous by a flying bolt, and lay for some time unconscious. The wound was a serious one, but with care and attention he will probably recover.

For the Free Democrat.

AT a meeting of the North Lisbon Republican Club, the following resolution was unanimously adopted:

Resolved, That the course of S. M. Booth and others, in regard to a Mass State Convention, and their *timely* and uncompromising opposition to *Know-Nothingism*, is right and we heartily endorse it.

GEORGE JEFFRY, Chairman,
J. M. CADY, Sec'y. *pro tem.*

A SPORTING EDITOR.—The editor of the Manitowoc *Tribune* shot 163 pigeons one afternoon.

☞ The Philadelphia *Ledger* is down upon the present system of telegraphic reporting for newspapers.

☞ Vast numbers of grasshoppers have again made their appearance in California, and it is feared will devastate the country to a greater extent than they did last year.

SINGULAR OCCURENCE.—The Prairie du Chien *Courier* of the 22d inst. says.

On the first of the week, information was received here, that a white female child had been offered for sale by some Indians at Mc Gregor, for the sum of $8,00 which was refused, afterwards it was brought over here and offered for a less sum. The child is apparently between 7 and 8 years of age. Its features are that of a child of white parentage. It has been most cruely whiped and abused.

The owner or pretended mother, first stated that it was her child by a white father, then that it was a child of her aunt, which is now deceased, and was given to her. After close questioning she said they got it from Fort Winnebago or near Madison, but at last admitted it was taken from Whitewater, Wis., about 5 years ago. It is now in charge of a family in this place, where every endeavor is made to bring back to its recollection, some incidents of its early childhood. She speaks the Indian dialect, French and a few words of English.

☞ Another warning against the too common practice of hasty burials, occurred in Fremont, Sandusky Co. last week. Daniel Sterns Esq., who had been ill with fever for some time, to all appearances, died on Friday afternoon. His burial was to take place on Sunday afternoon; all the arrangements were made, and the friends and the clergyman were assembled to pay the last tribute of respect to the supposed deceased, when the body appeared warm to the touch. Restoratives were administered, and in a few minutes the man who had come so near being buried alive, was sitting up. He is now in a fair way to recover.—*Cin. Columbian.*

☞ The largest water wheel in the world is at Troy, N. Y. Its power is equal to one thousand horses. It drives machinery which works up annually 10,000 tons of iron into horse shoes, spikes, nails, &c.

Board of Supervisors.

In the report of the Committee on Superintendents of poor, we find the following:—Your committee find the charge for flour, at $8,50 per bbl., whereas, good fine flour could be bought at $6,00 to $7,00 if it were bought under contract. On this article alone, $100 more has been paid than should have been. Your committee further find among the accounts, a number for Sugar, Coffee, Tea, Molasses, Tobacco and Saleratus, which latter articles should be as little used as possible for human beings, as their effects are poisonous. In order to show to the Board the excessive use of these articles, your committee have added the number of pounds of each of these articles from the several bills, and find that there has been used 5160 lbs of Sugar, 3981 lbs of Coffee, 102½ lbs of Tea, 153 gallons Mollases, 66 lbs Tobacco, and 60 lbs Saleratus. This whole amount has been bought since the first of January last, and amounts, as charged in the bills, to about $1000. While your committee would never let the unfortunate poor starve or suffer for want of food or other necessary comforts about them, it is, nevertheless, their opinion that severe regulations must be adhered to, to prevent imposition. Your committee would, therefore, recommend, that out of the Poor House, no relief should be granted to any person, to exceed the sum of ten dollars for any one year, unless there should be a want of room in said poor House, or unless the pauper should not be in a condition, on account of sickness to be removed to the same.

The committee recommends that the house at the County Farm, be completed this summer, and that some suitable arrangements be made at the Poor House for the insane; and also request the Chairman of this Board, to prepare a memorial to the Legislature, to impress on them the necessity of the building of a Lunatic Asylum in the State without delay

The Board adopted the report of the Committee, and passed a resolution in favor of taking immedrate steps for the construction of a new Court House and Jail, and that the committee on public buildings be instructed to report to this Board, at its next meeting, whatever inducements may be held out in different portions of the city of Milwaukee, by way of furnishing a site for, or contributing to the erection of the same; also to report the value of the property offered, if any, for such purpose.

THE LAUNCH.

AT 5 o'clock, yesterday afternoon, about two hundred ladies and gentlemen, invited by the proprietors of the new vessel, HANS CROCKER, embarked on board a boat at the foot of Huron Street, and were towed by the little steamer *Tift* to Jones' Ship Yard, near the mouth of the River, where the good vessel was to be launched. A band of music discoursed sweet sounds, and beauty and loveliness added fresh interest to the scene. Arrived at the place, the company ascended to the deck of the new vessel, while the opposite shore, and vessels in different directions, swarmed with eager spectators. The steamer *Gordon Grant* also brought down a load of ladies and gentlemen, who waited a while and then took a trip into the Bay. After a reasonable time the blocking was knocked away from the vessel, and she started gently and gracefully, but after proceeding a few feet, it was stopped by a block, which raised it several inches and arrested its further progress, and all efforts to start it by levers, tramping of men over its deck, the shaking of it by men in the rigging, and the pulling of the tug, proved fruitless, and at a late hour the company disembarked, took passage on the Tug's boat, and were towed back to the city without accident or alarm, in good spirits, regretting the mishap which prevented the launch, more on account of the owners, Messrs. HIBBARD & STEWART, whose imperturbable good humor and kindly bearing at the failure, were worthy of all praise.

For ourself, we think we enjoyed the occasion more than if the launch had taken place at the first starting. We had more leisure for reflection, and the study of human nature, and we are, like Messrs. HIBBARD & STEWART, not apt to be discouraged at the first trial.—Better luck to others next time, but we could hardly have enjoyed the occasion more in any event.

Abstract of the Report of the Superintendents of the Poor, Milwaukee, May 24th, 1856.

	Sane.	Insane.	Sane.	Insane. Total.	Remaining.

Number of inmates in Alms House, 1st Jan., 1856	64				
Admitted and born to April 1st	58—122

Died	9—64				
Remainig April 1st,	58				
Expenses for Alms House from Jan., to April 1st, 1856					$1,174 97
Number of families (out paupers) received support from Jan. 1st to April 1st	323				
Discharged during same period	89				
Receiving support April 1st	234				
Expenses for supporting same					$4,835.26
Other expenses					$1,034.00
Total					$8,393.04

Although the amount expended for the support of our paupers exceeds that of any previous winter, yet considering the extreme severity of the weather, the number of poor families, and the high prices of provisions, would bring the average to a very moderate sum.—Take the actual amount expended for provisions, firewood and clothing, the average per family would not exceed fourteen dollars, or a fraction over one dollar per week, for families averaging about four in number.

The opening of spring brings with it some relief to the Superintendents, as well as the public purse, and hope ere long to reduce the number of paupers to something near the amount of the previous summer.

All of which is respectfully submitted.

H. FOWLER.
H. SUPPUS.

PRODUCE SHIPPED.—The propeller Forest Queen, cleared for Buffalo this morning, with 4000 bbls. of flour, the prop. Cuyahoga with 500 bbls. of flour and 13,000 bushels of wheat, and the schooner Geo. Steele, for Oswego, with 2000 bbls flour and 8428 bushels wheat.

THEATRE.—Young's Hall was not so closely crowded last night, as we had reason to expect it would be. The two pieces, went off finely, Miss Thorne, Mrs. Thorne, Mr. Mestayer and St. Mar sustaining their parts in both plays admirably. To-night, two good pieces are offered—*Black Eyed Susan* and the *Widow's Victim*. Mr. Leffingwell, is reëngaged, and will appear in both pieces.

FOR COLLINGWOOD.—The Steamer *Key Stone State* leaves Higby's Pier for Collingwood at 8 o'clock A. M. to-morrow.

TELEGRAPH.

From Santa Fe.

The Santa Fe mail arrived at Westport on the 31st. Mr. Davis, Secretary of New Mexico, was among the passengers.

The mail was stopped by a party of 30 Keowah warriors, who demanded provisions, but offered no injury to the party.

Large numbers of Camanche Indians were seen on the Arkansas River, but were entirely peaceable.

Buffaloes very numerous.

Nothing new at New Mexico.

Gov. Merriweather arrived at Santa Fe on the 27th April, in good health.

Steamer Nebraska Destroyed by Fire.

On the morning of the 26th inst., the steamer Nebraska, lying at the levee at St. Louis, bound for New Orleans with 800 tons produce on board, caught fire in her hold, and before the flames could be subdued, boat and cargo sustained heavy damages. The boat is owned in Pittsburgh, and cost $8,500. Insurance about half that amount in offices in that city. Loss not estimated on pork, bacon, flour, whiskey, and corn

Indignation Meeting.

An Indignation Meeting was held at Fanuil Hall, in Boston, on Saturday evening last, composed of men of all parties, to express their feeling relative to the late dastardly attack on Senator Sumner by the Border Ruffian, Brooks. It was one of the largest gatherings that was ever assembled in that city. Thousands of people were unable to gain admittance. Gov. Gardiner presided. Speeches were made and resolutions adopted, strongly denouncing the assault and looking for the expulsion of Brooks from the Congress.

CONGRESSIONAL.

In the House, on the 26th inst., Mr. Ball moved for a suspension of the rules to enable him to introduce a resolution calling for specific information connected with all the branches of work on the Capitol and Postoffice extension. He said he wanted the country to see the manner in which the law had been disregarded and public money expended.

In the Senate, Mr. Pierce stated that the special committee to investigate the assault committed on Mr. Sumner, found it impossible to pursue the investigation properly without power to send for papers, and asked that such power be given. Agreed to.

Mr. Weller presented a petition from 75,000 citizens of California, asking for a wagon road to connect California with the States. Signatures were bound in large volumes. Mr. Weller urged the importance of the measure. Mr. W. also introduced a bill for the construction of a Military Road, from the western boundary of Missouri to Carson's Valley, and another for the construction of a Military Road from Ellspasse to Fort Yulaula.

Destructive Fire in Boston.

A large building was burnt on the night of the 25th inst., with several adjoining dwellings. It was occupied by the Boston Planing and Moulding Company. It contained a large amount of valuable machinery. Loss $25,000. The dwelling was occupied by 20 or 30 Irish families.

Preaching Against Outrages.

On Sunday evening last, Henry Ward Beecher delivered a discourse in his church on the outrage on Senator Sumner, and the destruction of Lawrence.

At Washington, the Rev. Dr. Prime preached a strong sermon on the downward tendency of civilization at Washington. He referred to the recent cases of Ruffianism, and the fact that the perpetrators were now making our laws, as a fearful evidence of depravity, and argued that it was the duty of the church to exert its influence for reform, and that its members ought not to associate with those who outraged the laws by violence. He said it was a shame to countenance such violence, and if they were not ashamed of it, they ought to be. It is publicly stated that Dr. Prime declined an invitation to dine at the house of a distinguished Senator, because he was informed that Brooks was to be one of the party.

Dr. Sunderland also delivered an eloquent sermon in the same strain, to which the President listened.

FEVER AND AGUE—AN INFALIBLE CURE.—We defy the world to produce any medicine which does not contain Quinine, Bark Arsenic, Mercury or any noxious or deadly compound, to cure this annoying disease so effectually as Carter's Spanish Mixture. While it contains none of the above named dangerous articles, yet it possesses a power in relieving and curing the Fever and Ague which cannot be approached by any of them separately or in combination. It acts Specifically on the Liver, Purifies the Blood, opens the pores of the Skin, and assists nature to expel from the system the seeds of Disease, or what is as bad, the remains of the Mineral Drugs, which clog and finally destroy the constitution.

See the cure of Mr. Longden of Virginia: He had Chills twice a day for three years, nothing would relieve him until he tried Carter's Spanish Mixture, only three bottles of which effectually restored him to health, nor has he had a return of the disease since.

HAVING RECENTLY RECEIVED AN extensive Stock, and daily adding to it the latest styles of

SPRING GOODS,

Together with an enormous stock of DOMESTICS, purchased in the fall at very low figures, with a view of being prepared for the EARLY SPRING TRADE, without being subjected to the exorbitant rates of Railroad charges on such goods as are sold at a fraction above Eastern cost, we are prepared to show, and will be most happy to sell, the most complete and extensive Stock of

DRY GOODS,

Ever before offered in the West!

Being connected with several large manufacturing establishments and importing houses at the East, giving us an advantage over any other Mercantile House in the State, and having long resided and done busines in this city, and our established principles of doing business being well known to every city and country customer to be of the most liberal nature, we flatter ourselves that we can say with safety that we consider competition quite out of the question.

We would say to

COUNTRY MERCHANTS,

who design going East to purchase, that we would esteem it a favor if they would favor us with a call before leaving for New York and Boston, as we feel quite confident that we can convince them that it is to their interest to purchase in Milwaukee.

BOWLING FOR THE MILLION!

The Nucleus of Pleasure Reduced to Five Pence
DURING THE DAY!

THE "BADGER STATE" SALOON TRIUMPHANT!

Roll away, ball away, roll away all,
Set up the pins, boys, the price is but small;
Off with the coat, now, and roll up the sleeve,
And at it, my jolly lads—Leave away, heave.

With the arm's muscles bare, for one hour, fling
Dull care to the air, and at five cents a string;
Roll away, ball away, hearty and strong,
'Twill develope the man, and his life thus prolong

Who would sit moping all day in his chair,
When pleasure and profit, so rich and so rare,
Can be had, and that, too, at such a cheap rate,
At the Bowling Saloon of the old "Badger State.

Come, then, "Young America," foreigners, too,
Here's rolling and bowling—not just for the few,
But for old and for young, for little and great—
Come join in the fun at the old "Badger State."
